

Yes, now you can connect your business digitally

VODAFONE MICROSOFT 365 SOLUTION
in one simple subscription

Why Choose Microsoft 365?

“ Stay Productive with the best collaboration package from any location and any device. ”

Sign Up Microsoft 365 through Vodafone and we'll manage your subscription – plus, you'll benefit from a more flexible contract, and easy access to support when you need it.

Microsoft 365 | Business

Microsoft 365 is a cost effective productivity cloud that brings together best-in-class Office apps with powerful cloud services, device management, and advanced security.

Be more productive wherever you are

Connect employees to the people, information, and content they need to improve productivity and transform collaboration.

Includes Office apps

Stay up to date on any device with the latest versions of Word, Excel, PowerPoint, and more.

Email and calendaring

Connect with customers and co-workers using Outlook and Exchange.

Chat, calls, and meetings

Keep your team on the same page with chat, online meetings, and calling in Microsoft Teams.

Cloud storage

Manage your files from anywhere with 1 TB of OneDrive storage.

Don't drown in paperwork

Transform the way you manage your business and simplify the way work gets done with modern tools that streamline business processes.

Reduce manual paperwork

Digitize manual and repetitive paper-based forms with Microsoft Forms.

Captured insights

Create surveys, polls, and questionnaires to gather data and insights from employees and customers.

Make repetitive tasks easy

Automate everyday business processes with Power Automate.

Works with the apps you already have

Access all your tools in one place with third-party app integrations in Microsoft Teams.

Protect what matters most

Help safeguard your employees, data, and customer information with enterprise-grade security you can trust.

Defend against cyberthreats

Protect against viruses, malware, phishing attempts, ransomware, spam, and other threats.

Keep customer data safe

Protect information from cybercriminals, unauthorized access, and accidental deletion.

Secure your device

Help keep your data safe, even when accessed on employees' personal devices.

Simplified IT management

Easily set up and manage users, devices, and data so you can focus on running your business.

Microsoft 365 | Enterprise

Transform the way you work with Microsoft 365.
